

May 1982

Happy Spring,

With the dry season fast approaching, it's time to make sure the Morgan is ready to go. The first event of the season May 15

May 15th will be the first event and rally of the season. The meeting place will be Gabriel Park, off S. W. Vermont Street in the Multnomah section of Portland. The rally will be a good first run for your car this year as it basically takes place in S. W. Portland in and around the West Hills. Traffic will not be heavy and average speeds will be low. The rally has a little bit for everyone, but is not designed to tax anyone to the limit. It's all for fun and I hope to see everyone there. See the map below for better instructions. Also, as a precaution, if you plan to enter it is a good idea to have a Portland Map (just in case?). 😊

Your car in print! Available is a hand pulled and tinted lino-print of your Morgan on the front. Very personalized, very nice. 10 cards with envelopes \$5.25. Not bad considering these are of your car, your color and all done by hand.

WESTWOOD - Vancouver B. C. July 24, 1982 - the club plans to join Seattle members and continuing North to Vancouver and the Westwood Race that weekend. For more details contact Davy or Tricia Crockett

Forest Grove Concours X We are working on entering the club as a group. The way it looks now, you may enter to be judged or as a club car entry, which is not judged. The concours takes place this year on Sunday, July 18.
